LODI, CALIFORNIA

Located in the middle of California's Central Valley, Lodi has a classic Mediterranean climate of warm days and cool nights, and benefits from cool breezes blowing inland from the San Francisco Bay area - a climate that helps lend grapes a refreshing natural acidity. The mineral rich, sandy soils and dry growing season allow growers to precisely manage vine growth through irrigation, producing more concentrated flavours.

SYNERGY

Chardonnay, Riesling and Pinot Grigio come together in perfect synergy in this lively off-dry white with tropical and stone fruit flavours, bright acidity and a crisp balanced finish. Chardonnay provides texture, notes of green apple, pineapple and citrus.

Riesling offers lively acidity and floral aromas. Pinot Grigio rounds out the blend with juicy peach, apricot and pear flavours.
